Paint Finish Guide For Small House

FLAT OR MATTE PAINT FINISH

- Consistency 0% to 10% Glossy
- Uses Usually for walls and ceiling
- Pros Perfect for masking imperfections on the walls. It can help the paint colour appear deeper
- Cons Difficult to clean

EGGSHELL PAINT FINISH

- Consistency 10% to 25% Glossy
- Uses Ideal for walls
- Pros Easier to clean and more durable than Flat paints
- Cons Not as durable as Satin Finish or Semi-gloss

SATIN PAINT FINISH

- Consistency 25% to 35% Glossy
- Uses Ideal for walls
- Pros Its silky finish adds slight glow on the wall. Can be easily clean especially on high-traffic rooms like bathrooms, kid's rooms, kitchens, and trims
- Cons Less glossy than Semi-gloss and High-gloss finish

SEMI-GLOSS PAINT FINISH

- Consistency 35% to 70% Glossy
- Uses Great use for window casings, doors, baseboards, moldings, and other trims.
- Pros Very easy to clean and durable
- Cons Less glossy than High-gloss and can show imperfections

HIGH-GLOSS PAINT FINISH

- Consistency 70%+ (and higher)
- Uses Perfect for walls
- Pros Can give the walls a shinier finish, very easy to clean, and very durable
- Cons It can emphasize wall imperfections

Paint Finish Guide For Small House

OIL ENAMEL

Uses: All exterior surfaces.

Cleaner: Penetrol or Mineral spirits for thinning and cleaning.

Description: More washable. Less durable. Should only be applied to very dry surfaces. Glossy.

ACRYLIC SATIN

Uses: All exterior surfaces

Cleaner: Water or Floetrol for thinning. Soap and water for cleaning.

Description: Excellent adhesion. Durable. Dry fast during hot days.

ACRYLIC FLAT

Uses: Ceiling and/or walls

Cleaner: Water of Floetrol for thinning. Soap and water for cleaning.

Description: No gloss. Slightly chalky. Less washable.

ACRYLIC GLOSS

Uses: Woodwork. Trim or walls. Ceiling.

Cleaner: Water or Floetrol for thinning. Soap and water for cleaning.

Description: Slightly light. Durable and washable. Full gloss finish.

ACRYLIC SEMI-GLOSS

Uses: Woodwork and trim or walls

Cleaner: Water of Floetrol for thinning. Soap and water for cleaning.

Description: Slightly light. Durable and washable. Increased gloss finish.

ACRYLIC EGGSHELL

Uses: Ceiling and/or walls

Cleaner: Water or Floetrol for thinning. Soap and water for cleaning.

Description: Slightly glossy. Matte finish. More washable.
