

# Quick Questions to Ask a Potential House Painter

☐

Do I need to make any preparations before work begins?

☐

How do you handle safety?

☐

What types of materials do you use?

Are you fully insured, bonded and licensed?

☐

How much will this entire painting project cost?

How will you ensure that you leave my house clean?

☐

How many workers will be on the job? Are they subcontractors or employees?

☐

How do I get in touch with you in case of any questions or concerns?

☐

What are the timelines for this project?

☐

Do you have a list of customers who would be willing to verify the quality of your work?
